SUMMARY-

Highly motivated and detail-oriented B. Tech CSE student with a strong foundation in computer science and programming principles. Proficient in a range of programming languages, including JavaScript, Python, and C. Possesses excellent problem-solving skills, with experience in developing innovative solutions to complex problems. Strong understanding of data structures, algorithms, and software engineering principles.

PROFESSIONAL QUALIFICATIONS-

Course	Name of the Institute	College/University	Year	Percentage
B.Tech. (Computer Science and Engineering)	Faculty of Engineering	Invertis University, Bareilly	2021-25	75%

EDUCATIONAL QUALIFICATIONS-

- **10th** from St Paul's School, ICSE,2019.
- **12th** from Heritage Academy, CBSE,2021.

WORK EXPERIENCES-

- Secured a Certificate of Completion in Data Science from Celebal Technologies, focusing on data cleaning and preparation techniques; directly contributed to enhancing data quality for analysis on projects involving over 1 million records.
- Developed actionable insights from data analysis within four weeks at YBI Foundations, directly contributing to enhanced operational efficiency by streamlining reporting processes and reducing manual input time by 10 hours weekly.

SIGNIFICANT ACCOMPLISHMENTS-

- Certificate of Completion of **CLOUD, IBM.**
- Certificate of Completion of **DATA SCIENCE, IBM.**
- Certificate of Completion of **PYTHON, INFOSYS.**

SKILLS-

- C
- PYTHON
- JAVA
- SQL
- HTML
- CSS
- JAVA SCRIPT
- MS OFFICE (Word, PowerPoint, Excel)
- DATA ANALYTICS + DATA SCIENCE(Basics)

PROJECTS-

- **Restaurant Website**-Designed and implemented an intuitive food delivery platform that processed over 500 orders in the first month, resulting in improved operational efficiency for restaurant partners.
- **Movie Recommendation System-**Developed a movie recommendation system using content-based algorithms. Implemented using Python and libraries like Pandas and Scikit-learn to personalize suggestions based on preferences.

LOGUISTIC PROFICIENCY-

- English
- Hindi
